

## REACH

To whom it may concern,

UPCOM Telekomünikasyon Bilişim Teknolojileri San ve Tic Ltd. Şti. manufactures its products according to the REACH (Registration, Evaluation, Authorisation, and Restriction of Chemicals) regulations, agreed on 18<sup>th</sup> of December by European Union and entered into force on 1<sup>st</sup> of July, 2007 by the European Union.

The primary objective of the REACH regulations is chemical raw material manufacturers.

UPCOM Telekom. Company doesn't manufacture its chemical raw materials (Down Stream) but acquires its raw materials only from the supplier who manufactures the chemical raw materials according to REACH regulations. Before working with new chemical raw material suppliers, UPCOM Telekom. will continue to inspect and monitor its suppliers whether they are manufacturing chemical raw materials according to the REACH regulations or not.

Sincerely,

UPCOM Telekom
