

REACH Declaration of Compliance

Fiber Optic Cables

Self-declared product compliance document

Document No	UP-REACH-FOC-2026-01
Issue Date	13 May 2026
Product Group	Fiber Optic Cables
Document Type	REACH / SVHC Declaration of Compliance
Status	Released

1. Product Scope

- UPCOM branded fiber optic cable product families supplied by UPCOM, including indoor, outdoor, FTTH drop and related fiber optic cable constructions.
- This declaration is issued for commercial, tender, procurement and technical documentation use for the above product group.

2. Regulatory Reference

This declaration refers to Regulation (EC) No 1907/2006 concerning Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), including the Candidate List of Substances of Very High Concern (SVHC) and the communication obligations applicable to articles.

3. Declaration

Based on the information available from material suppliers, component declarations and UPCOM internal product review at the date of issue, UPCOM declares that the fiber optic cable products covered by this document are not intentionally designed to release substances under normal and reasonably foreseeable conditions of use.

To the best of UPCOM knowledge, the covered products do not contain SVHC Candidate List substances above 0.1% weight by weight per article, unless specifically declared in a project-specific document or updated supplier information.

4. Basis of Declaration

- Supplier material declarations and available component information
- Review of cable construction materials, sheath compounds and supplied product specifications
- Current internal product knowledge and available technical documentation

5. Customer Communication

If UPCOM becomes aware that a covered product contains an SVHC Candidate List substance above the applicable 0.1% w/w article threshold, UPCOM will provide relevant safe-use information according to the applicable REACH communication requirements.

6. Limitations

This is a self-declared product compliance document. It is not a laboratory test report and does not replace product-specific third-party testing where a customer contract, tender or local regulation requires such evidence. The declaration is valid for the product group and configurations described above as of the issue date.
