MODEL SELECTION

19-Inch Rack Shelves and Keyboard Drawers

Compare fixed and sliding 19-inch rack shelves for 600, 800 and 1000 mm cabinets, front-mount shelves and lockable 1U or 2U keyboard drawers.

Fixed shelf

Sliding shelf with side runners

Fixed and sliding shelves by cabinet depth

Cabinet depth	Version	Fixed shelf	Sliding shelf
600 mm	Standard	UPC-F2166SR	UPC-F226HR
800 mm	Standard	UPC-F2168SR	UPC-F228HR
1000 mm	Standard	UPC-F21610SREK	UPC-F2210HREK
1000 mm	Heavy-duty	UPC-F21610SR	UPC-F2210HR

Fixed shelf dimensions and load ratings

Cabinet depth	Shelf W × D	Load rating	Order code
600 mm	460 × 345 mm	50 kg	UPC-F2166SR
800 mm	460 × 525 mm	50 kg	UPC-F2168SR
1000 mm	440 × 720 mm	On request	UPC-F21610SR

The 1000 mm dimensions refer to the heavy-duty fixed shelf. For the standard-duty version or a heavy load, specify the rack depth, rail spacing and equipment weight in your enquiry.

FRONT-MOUNT SHELVES & DRAWERS

Front-mount shelves and keyboard drawers

Cantilever shelves attach at the front rack rails. Select the shelf by usable tray depth, occupied rack height and equipment weight. The two keyboard drawers are separate, lockable models.

1U cantilever shelf, 250 mm

1U keyboard drawer, open

Front-mount rack shelves

Rack height	Shelf depth	Load rating	Order code
1U	250 mm	5 kg	UPC-FSHRA1U
1U	320 mm	5 kg	UPC-F101RA1U
2U	350 mm	10 kg	UPC-F101RA2U

Lockable keyboard drawers

Rack height	Accessory	Order code
1U	Lockable keyboard drawer	UPC-F2310KD
2U	Lockable keyboard drawer	UPC-F2320KD

When requesting a quote

Include the order code and quantity. For a sliding shelf or drawer, check front clearance for extension and allow space behind the equipment for plugs and cable bends.
